

ARBEITSBLATT:
 FROM THE TURNING POINT
 IN WARFARE TO THE DEFEAT
 OF THE GERMAN EMPIRE

Assignment:

At the beginning of the war, Germany quickly advanced, and so the aggression often referred to as a "Promenade to Paris" seemed to be practicable for Germany. But after initial achievements in the west, the entire war took a turn for the worse, changing not only the way of warfare but also Germany's situation dramatically.

Describe the most important steps of the course of events which finally resulted in the defeat of Germany!
